

SUSTAINABLE RURAL DEVELOPMENT & CULTURAL HERITAGE

Blended Intensive Program (BIP) 2026

What is this program about?

A short, intensive blended program focused on **sustainable rural development, entrepreneurship and the valorization of cultural heritage**. The program combines **online cooperation with on-site activities**, enabling students to work in **international and interdisciplinary teams**.

What do I gain?

- ✓ **Participation** in an Erasmus- Blended Intensive Program
- ✓ **Development** of entrepreneurial and sustainability-oriented skills
- ✓ **Participation** in workshops, field visits and case studies
- ✓ **International collaboration** with students and lecturers from partner institutions
- ✓ **Practical Insights** into rural entrepreneurship and cultural heritage management
- ✓ Academic recognition of **3 ECTS credits**

What should I do?

- ① Apply through the next **Erasmus+ BIP call**
- ② **Select a topic** related 10 sustainable rural entrepreneurship or cultural heritage
- ③ **Work with** an international team on the selected topic
- ④ Prepare a **short project** presentation
- ⑤ **Present your results** during the on-site mobility

Program structure

Online phase: collaborative work, mentoring, virtual meetings (before the on-site mobility)

On-site phase: lectures, workshops, field visits, student presentations

Language of instruction: **English**
